KAMP PROGRAM MANAGER

Khadijah Artisans is a tribute to the entrepreneurial spirit of women, inspired by the legacy of Sayyidatina Khadijah (RA), a noble and successful businesswoman. This brand represents a collective of talented Malaysian women artisans who transform their creativity into unique, high-quality products that blend tradition, culture, and modernity with timeless elegance.

The brand is brought to life through the **Khadijah Artisans Mentoring Program (KAMP)**, a flagship initiative of **Khadijah International Waqf (L) Foundation (KIWF)**. KAMP was designed to empower women, particularly those from underserved and underrepresented communities, by providing them with knowledge, entrepreneurial skills, mentorship, and market access. It nurtures artisans into entrepreneurs, equipping them to thrive in the modern economy while preserving Malaysia's rich cultural heritage.

Through KAMP, Khadijah Artisans becomes more than just a craft brand; it is a social impact movement. Artisans are given the opportunity to showcase their talent through handcrafted home décor, textiles, accessories, and lifestyle products that carry uniquely Malaysian motifs with contemporary flair. Custom creations for hospitality, luxury gifting, and upmarket outlets further extend their reach, proving that traditional craftsmanship has a place in today's global market.

Anchored by KIWF's waqf-based values, Khadijah Artisans champions sustainability and community impact through the principle of "Give 2 Enrich." Every purchase contributes not only to the livelihood of the artisans but also to wider social development, ensuring that the cycle of empowerment continues.

Today, Khadijah Artisans stands as a symbol of resilience, creativity, and empowerment, crafted by women, nurtured by mentorship, and sustained by the spirit of waqf. It is a story of women uplifting women, of communities strengthened through shared values, and of heritage preserved for future generations.

Khadijah Artisans – Crafting Futures, Empowering Women.

The Program

FIRST COHORT 2024 / 2025

Empowering women entrepreneurs through craft, mentorship, and market access

The Khadijah Artisans Mentoring Program (KAMP) is a structured, waqf-supported initiative designed by **Khadijah International Waqf (L) Foundation** to empower women entrepreneurs; particularly those from B40 and asnaf backgrounds, through tailored mentorship, capacity building, and access to premium markets.

At its core, KAMP is more than just skill training. It is a comprehensive ecosystem of support, designed to walk alongside women as they transition from informal artisans to confident businesswomen. The program combines hands-on guidance with exposure to real retail environments, enabling participants to grow both personally and professionally.

With partnerships including **Wanita Berdaya Selangor (WBS)**, **The Artisan Digital Mall**, **Teraju Ekonomi Asnaf Selangor (TERAS)**, **Laman Wanita (LAWA)**, **Pusat Akar Budi** and **Bank Islam Malaysia Berhad**, KAMP connects mentees with a network of support that extends far beyond a classroom.
