Majlis Ilmu Khadijah

Report

70

EXECUTIVE SUMMARY

Majlis Ilmu Khadijah (MIK) is a yearly heartfelt Ramadan initiative that brings together spiritual reflection and humanitarian action. It combines soul-enriching Tazkirah sessions with the distribution of Iftar packs to underserved groups, offering nourishment for both the heart and body.

Held in collaboration with mosques, hospitals, shelters, and correctional institutions, MIK reaches individuals who are often overlooked during Ramadan: Orang Asli families, shelter residents, and inmates in prison institutions.

The initiative is designed to meet people where they are, in places of struggle, healing, or solitude, and remind them they are seen, valued, and spiritually supported.
